Dear Sirs:

Re: European Patent Application No. 02780963.1  
Applicant: Symetis AG

Pursuant to Rule 19 EPC we write to request amendment of the designation of inventors filed with this application.

This European application designated Messrs. Gregor Zund and Simon Phillipp Hoerstrup on filing, whereas it should in fact have designated Mr. Bruno Covelli as the sole inventor.

Enclosed herewith is an authenticated copy of an agreement dated 20 January 2005 between Messrs. Zund and Hoerstrup and Covelli and the applicant, Symetis AG.

*Re: inventorship*  
*\**

As you will see from the enclosed agreement, Messrs. Zund and Hoerstrup and the applicant, Symetis AG, expressly agree to the deletion of Messrs. Zund and Hoerstrup as inventors. The enclosed agreement further indicates that Mr. Bruno Covelli is in fact the true and only inventor of the invention which is the subject of this patent application, and further indicates that he consents to being listed as the inventor for this European patent application.

As you will see from page 2 of the enclosed agreement, Mr. Covelli has hand amended his contact details, and we would ask you to note in the official register that Mr. Covelli's address is: Magretenweg 3, 5034 Suhr, Switzerland.

Please would you amend the official register for this European application to delete the designation of Messrs. Zund and Hoerstrup as inventors, and to substitute therefor Mr. Bruno Covelli of Magretenweg 3, 5034 Suhr, Switzerland.

As regards our authorization to act on behalf of Symetis, we enclose herewith a copy of a letter that has been sent to the European Patent Office - the letter enclosing a General Authorisation that has been signed for and on behalf of Symetis AG.
